

DUTIES OF TRANSPORT AMBULANCE SERVICE OWNER

- File by the tenth (10th) day of each calendar month, for each ambulance, a written report covering the preceding calendar month. Show the date, time and place where each patient transported in such ambulance upon the public streets of the city was picked up, the place to which each such patient was delivered and the date and time of such delivery; the identity of each member of the staff on each such occasion; and any other information reasonably required by the director.
- Notify the City of Alvin EMS Director of any change of the information specified in the Service Permit application within three (3) business days from the occurrence of such change.
- Meet the staffing and equipment requirements of the Emergency Medical Services Act, Health and Safety Code, Ch. 773 (the Act) and the regulations adopted by the EMS Department pursuant to the Act including such additional regulations as may be adopted in writing by the EMS Director.
- Allow any ambulance of the owner which has been licensed under the terms of this division, to be stopped and inspected by the director at such times and places as the director may in his sole discretion deem appropriate.
- Obey the requirements of the Act, the regulations adopted by the department, the provisions of Chapter 8½ of the Code of Ordinances of the City of Alvin and any regulations adopted by the director under the provisions of said chapter.
- Notify the EMS Director of the City of Alvin on all required notifications of the EMS provider responsibilities according to EMS Rule 157.11 of the Texas Department of State Health Services (TDSHS).
