

# Alvin K-9 Seminar

2/20/17 - 02/25/17

The annual Alvin K-9 Seminar will be comprised of several training sessions totaling 40 TCOLE hours and again be held at various location in Alvin, TX or surrounding area. The primary focus is training and certification for K-9 teams in the areas of Patrol/Narcotics/Explosives. We will again be offering various stations to work on issues and to provide additional assistance. Those stations will be a wide range of work areas such as scent walls, building to search, vehicles to search, buses, etc..... To assist you at these stations will be trainers from Dogs for Law Enforcement (DLE) - <http://www.dlecertification.org>. DLE will also be available to certify those teams needing certification during the seminar. For information on certification with DLE or to re-new your certification with DLE, please contact them directly.
