Consider Ordinance 18-A, annexing a 10.00-acre tract within Alvin Sunset Ranch located along Heights Road a/k/a County Road 145, more or less, into the corporate limits of the City; approving a service plan for the annexed area; making findings of fact; providing a severability clause; and providing an effective date on second reading.

*On September 19, 2017, Will Benson of Alvin Sunset Ranch, LLC, petitioned the City to annex +/- 10 acres, out of a 20-acre parcel for the purpose of the construction of the Sunset Ranch subdivision, owned by Alvin Sunset Ranch, LLC. Council authorized the commencement of annexation procedures on September 21, 2017, in Resolution 17-R-25. Public hearings were held on November 2, 2017, and November 16, 2017. This Ordinance, upon passage of the second reading, will finalize the annexation of that +10.00-acre tract of land for Sunset Ranch located along Heights Road a/k/a County Road 145, in Brazoria County, Texas. The Ordinance includes the Municipal Service Plan. State law requires two readings of annexation ordinances. This is the second reading, the first reading was held on December 7, 2017.*

Consider Ordinance 18-B, annexing a 19.134-acre tract, more or less in Forest Heights, Section 6 located along the proposed 528 extension between Business 35 and SH6, into the corporate limits of the City; approving a service plan for the annexed area; making findings of fact; providing a severability clause; and providing an effective date on second reading.

*On September 15, 2017, Don Barras Development, LLC, petitioned the City to annex approximately 19.134 acres for the purpose of constructing Forest Heights, Section 6. Council authorized the commencement of annexation procedures on September 21, 2017, in Resolution 17-R-26. Public hearings were held on November 2, 2017, and November 16, 2017. This ordinance, upon passage of the second reading, will finalize the annexation of that ±19.134-acre tract of land for Forest Heights, Section 6, located along the proposed FM 528 extension between Business 35 and State Highway 6 in Brazoria County, Texas. The Ordinance includes the Municipal Service Plan. State law requires two readings of annexation ordinances. This is the second reading, the first reading was held on December 7, 2017.*

Council member Arendell moved to approve the consent agenda as presented. Seconded by Council member Adame; motion carried on a vote of 6 Ayes.

**OTHER BUSINESS**

Consider Resolution 18-R-01, expressing the intent to finance expenditures to be incurred for the design, acquisition, construction and equipping of Fire/Emergency Medical Services (EMS) facilities; and setting forth other matters related thereto.

*Funding for the purchase of land and design was approved for FY18 through the General Projects Fund. The purpose of this funding is to replace the existing Fire Station #1 and Emergency Medical Services (EMS) facilities, and combine the two (2) services into one facility. Compelling reasons to construct a new station include, but are not limited to expanded service coverage that reduces response time, more superior geographical access to calls for service, the current lack of windstorm rating, inadequate sleeping quarters, no room for future growth, condition of existing EMS facility, and bays that are too low for new apparatus.*

*In addition, this funding will also replace a platform ladder truck, as the department’s existing ladder truck is 25 years old and is at the end of its useful life. The City has incurred \$96,000 in maintenance over the last 5 years to keep the current ladder truck operational. It is becoming unreliable, and to maintain the insurance rating (ISO/PPC 2), it is imperative to have a reliable and safe working ladder truck. The City anticipates selling the current ladder truck and utilizing the proceeds to either subsidize the cost of a new ladder truck, or depositing the proceeds into the City’s Fire Capital Fund.*

*As presented in the December 7, 2017 council workshop, bonds will need to be issued to finance the design and construction of the new Fire/EMS station and to purchase a new ladder truck. While it is premature to specify an exact dollar amount, Staff predicts the issuance to be approximately \$8,200,000. A new Fire/EMS station and ladder truck will be financed over twenty years. Assuming an interest rate of 4%, the debt service would average approximately \$582,200 a year. Based upon the 2018 taxable property value of \$1,293,876,630, a tax rate increase between \$0.04 – \$0.05 per \$100 of taxable value would be necessary to pay this debt.*

*To expedite construction and take advantage of potentially lower costs, Staff recommends approval of a “reimbursement resolution.” This resolution acknowledges the need to issue bonds for financing a new Fire/EMS station and ladder truck. Although the resolution reflects a maximum issuance of \$8,200,000, that is not necessarily the amount of bonds that will be issued. Staff believes that it is appropriate to construct a station that meets both the current and future needs of the City, while remaining affordable.*

*Approving the resolution will allow the City to secure a contract using money held in the General Projects Fund and the General Fund. Any expenditure prior to the bond issuance will be reimbursed from the proceeds at a later date. Staff currently expects that Certificates of Obligation would not be issued until a more accurate estimate of costs is obtained. A tentative timeline of events may be:*

<i>January 2018</i>	<i>Approve reimbursement resolution</i>
<i>March 2018</i>	<i>Select Architect</i>
<i>April 2018 – December 2018</i>	<i>Design Phase</i>
<i>September 2018</i>	<i>Issue Certificates of Obligation</i>
<i>April 2019</i>	<i>Council Awards a Construction Contract</i>
<i>May 2020</i>	<i>Complete Construction</i>

Council member Adame moved to approve Resolution 18-R-01, expressing the intent to finance expenditures to be incurred for the design, acquisition, construction and equipping of Fire/Emergency Medical Services (EMS) facilities; and setting forth other matters related thereto. Seconded by Council member Starkey; motion carried on a vote of 6 Ayes.
