### Tax Rate

The City’s tax rate for Fiscal Year 2021/22, applied to valuations as of January 1, 2021, is \$0.7680 per \$100 of valuation. The aggregate property tax rate for property owners within the City of Alvin consist of separate property tax rates from: City of Alvin, Alvin ISD, Brazoria County, C&R District, and Alvin Community College. Property tax amounts on individual taxes can vary from year to year based on changes in market value, and/or changes in the property tax rate in each jurisdiction listed above.

### Tax Liability Calculation

To determine your tax liability, multiply the taxable value of your home by the current tax rate, then divide the result by 100. For example, a home with a taxable value at \$100,000 would pay 2021 city taxes in the amount of \$768 [(\$100,000 X \$0.7680)/100].
