Sales & Use Tax

The sales tax rate in the City of Alvin is 8.25% of taxable goods or services sold or delivered within the boundaries of the City. The tax is collected by businesses making the sale and is remitted to the State Comptroller of Public Accounts. Of the 8.25% tax rate, the State of Texas retains 6.25% and distributes 1.5% to the City of Alvin and .5% to Brazoria County.

1.00% is allocated to the Sales Tax Fund for all equipment and materials used to construct and maintain streets, drainage and sidewalks; employee, consultant and contractor cost incurred to construct and maintain City streets and drainage; facilities, storage, office costs, and improvements used by Street and Drainage personnel; and any administrative costs to manage and support the Street and Drainage operation. On April 18, 1968, the city council approved amending the City's charter to use local sales and use tax revenue only for street-related improvements.

0.50% is allocated to the General Fund and used for the City's general operating purposes. Voters approved adding this additional ½ cent to the sales tax in 1992 to reduce property taxes.

0.50% is imposed by Brazoria County.

6.25% is retained by the State Comptroller of Public Accounts.
