REQUEST FOR EMERGENCY / TEMPORARY UTILITIES

DATE: _____

TO: City of Alvin - Engineering Department

SUBJECT: The use of **emergency/temporary utilities** for construction purposes and testing of equipment at

Address

I, _____, as Electrical Contractor

Request the use of emergency/temporary utilities for construction and the testing of equipment. I understand that this in no way gives me permission to occupy or use for storage purposes, any building or portion thereof unless all permits on the building or portion to be occupied have been inspected, approved and a Certificate of Occupancy issued.

We further understand that the temporary utilities may be disconnected for any violation of the adopted building codes. The Electrical Contractor assumes the responsibility for any violation of any City Ordinance by the sub-contractor.

The undersigned hereby agrees to indemnify and hold forever harmless the City of Alvin, its officers, and employees from any and all claims or causes of action alleged to have been caused directly or indirectly by the temporary use of utilities for which this application is made.

I hereby agree to abide by all provisions of the adopted Electrical Code.
