The City of Alvin is relaunching its Emergency Notification program on a new platform. Please create a NEW account using the new registration page "Alvin Alerts" and click on "sign up" then provide your preferred contact information and subscription preferences. The new platform provides for new ways you can customize your preferences and the types of alerts you receive. *Alvin Alerts* notifications may be delivered via email, mobile app, text message, and/or voice call.

Get alerted about emergencies and other important community news by signing up for our Emergency Alert Program. This system enables us to provide you with critical information quickly in a variety of situations, such as severe weather, unexpected road closures, missing persons and evacuations of buildings or neighborhoods.

You will receive time-sensitive messages wherever you specify, such as your home, mobile or business phones, email address, text messages and more. You pick where, you pick how.

To get started just click on the link below and go to "Sign Up":

Keep in mind that many notifications will be targeted only to impacted neighborhoods. Entering a physical address outside of the City of Alvin may limit the notifications you receive.

Should you have any questions, please reference our *Overview* and *FAQ* on the registration page. If you have a question not addressed, you may contact us at: eoc@cityofalvin.com
