Winter Weather Event – 10:00 a.m.

Frozen precipitation is forecast to begin falling in the Alvin area early this afternoon, with temperatures falling in the mid-twenties overnight. Because of this winter weather event, there is the potential for the icing of roads, bridges and overpasses.

Non-emergency City offices will close today at 11:00 a.m. and will reopen at 9:00 a.m. on Wednesday, January 17, 2018.

City crews and trucks are prepared to sand any bridges or roadways that may have icing.

Residents are encouraged to limit travel during the afternoon and overnight hours, and if travel is necessary, to use extreme caution.

Please make sure to bring your pets inside during these frigid temperatures.

Check the City's website and social media accounts for further updates.
