WHEREAS, on August 24, 2017, the Mayor of the City of Alvin, pursuant to Government Code Chapter 418 (the Texas Disaster Act of 1975) declared a Local State of Disaster pending the imminent threat of widespread or severe damage, injury, and loss of life and property, resulting from the approaching storm “Hurricane Harvey;” and

WHEREAS, the President of the United States, the Governor of the State of Texas, and the County of Brazoria, Texas, declared a Declaration of Disaster in response to the occurrence of widespread and severe damage resulting from Hurricane Harvey; and

WHEREAS, due to widespread residential and commercial property damage necessitating repairs and rehabilitation, and the limited availability of housing and rental properties including hotels, the City has an urgent need to allow for temporary housing for its residents; and

WHEREAS, the City Council finds that it is in the public interest to protect public health, safety, property, and the general welfare of the public by temporarily suspending all regulations relating to the placement of recreational vehicles, and adopting temporary regulations including, but not limited to, conditional permits, placement, maintenance, utilities, removal, sanitation, and other related health and safety matters for recreational vehicles located on residential properties in response to widespread damage caused by Hurricane Harvey.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ALVIN, TEXAS:

Section 1. The findings and recitations set out in the preamble to this Ordinance are found to be true and correct and they are hereby adopted by the City Council and made a part hereof for all purposes.

Section 2. The City Council finds that it is in the public interest to protect public health, safety, property, and the general welfare of the public by temporarily suspending all regulations relating to the placement of recreational vehicles, and adopting temporary regulations including but not limited to conditional permits, placement, maintenance, utilities, removal, sanitation, and other related health and safety matters for recreational vehicles located on residential properties in response to widespread damage caused by Hurricane Harvey. The purpose and intent of the temporary suspension of current regulations is to allow the conditional placement

and use of privately owned recreational vehicles at damaged residential locations during construction subject to the limitations provided in Section 3. This temporary suspension does NOT allow the placement of mobile homes, manufactured housing, or FEMA alternative housing units.

Section 3. The City Council hereby adopts the following temporary rules and regulations:
